Level : Introduction to French

Lesson book : *none*

Dear Parents,

We are delighted to welcome your child to our French program! This course is a great way for your child to learn their first French words and explore the sounds of the French language in a playful, age-appropriate environment. The emphasis is on enjoyment and discovery rather than formal instruction.

Language Skills:

- Develop early listening and comprehension skills
- Build confidence in responding to simple words and phrases
- Begin to recognise familiar vocabulary through repetition and routine
- Engage in interactive and imaginative language use

Learning Approach:

- Songs and nursery rhymes
- Movement-based games
- Puppet play and role-play
- Storytime with visual support
- Arts and crafts linked to vocabulary
- Sensory and exploratory play

This class focuses on creating a positive, immersive environment where your child can enjoy discovering French and feel confident using a new language through fun, interactive activities.

We look forward to a joyful and enriching term with your little one!
